

# playscreen POKER

Baltimore-based social gaming pioneer **PlayScreen, LLC** is pleased to announce the launch of **PlayScreen Poker**, a free iOS app that unites the worlds of social gaming and online poker. PlayScreen has added the social gaming aspects of achievements, skills and virtual objects. Players can manage their careers in PlayScreen Poker just as professional poker players do.

## GAME HIGHLIGHTS

- **FREE** to download, **FREE** to play.
- **NOW** with \$20,000 in complimentary chips, with bonuses awarded daily!
- Play anytime, anywhere. Even without any cell or Internet connection, you can play in 'Practice Mode'.
- Play live against players from around the world.
- Invite your Facebook and/or Game Center friends to a table with custom stakes, for up to 9 players at a time.
- In-depth stats, with detailed charts and analysis, help you improve your poker skills.
- Work your way up to a world-class, luxurious lifestyle by purchasing in-app items with your virtual winnings.

**It's More Than Just A Game...It's A Lifestyle.**
